Regulations – Newbie - http://www.challenge-south-west.co.uk/Newbie_final_rules_070118.pdf

Organiser – Chris Bolt - chrisb@challengesouthwest.co.uk

Notes:

Well the winter will be behind us in time for Chris Bolts spring event, with a chance to dust off those tents and get out under the stars for this day and a half event. Uplowman is one of our best sites and always presents a great challenge and Chris along with his son Nick always lay on a technical event. It also has a very social atmosphere with a beer around the fire in the evening. Both Challenge and Newbie classed events will be run alongside of each other so there will be something for everyone!!!! So let us know if you're coming along.
